We will conduct a Chapter business meeting to review committee activity, discuss future meetings and dates, and vote for 2015-2016 chapter officers.

The nomination slate follows and other nominations will be recognized from the floor:

Walter Coryell, President
Bob Cleaver, Vice-President
Conway Gregory, Secretary
Mark Freestate, Treasurer

Like our Revolutionary ancestors, please consider volunteering some of your time in a topic area you enjoy, therein helping to enrich our chapter. Also, if you wish to report an activity but can not attend, please contact our editor at the address on this reverse or wtewes@atlanticbb.net Thank you.

12:00 LUNCHEON

All SAR members are encouraged to invite their wives or a guest to the luncheon and speaker presentation. The luncheon will be similar to the past, which is usually a soup or salad, a choice of sandwiches with a side, beverages and deserts for \$15. Wine can be purchased.

1:00 "Christian Citizenship"

Pastor Melvin Brindley will present this past, present and timely topic with his perspective of leading the Chestertown Baptist Church for 31 years. He has multiple degrees in theology and education. Pastor Brindley has lead church planning and mission efforts as far away as Thailand and Nepal and as near as the Chestertown Christian Academy. He and his wife Jeanette of 40 years have four adult children involved in Christian advocacy.

An American Flag Award will be presented at the conclusion.

We look forward to seeing many members and guests attend this event.

Thank you again.
